Chairman's Welcome

It is with great excitement that the Rockhampton Jockey Club announces the release of our 2020 St Peter's Caulfield Cup Race Day Packages. As we start to see a light at the end of the tunnel after a difficult year, the Club is optimistic that, whilst attendance will need to be limited to numbers allowed under the current Covid 19 restrictions, patrons can still look forward to a successful event. The Club appreciates the support and co-operation of the hard-working planning committee from St Peter's School in scaling back their successful event (usually patronised by over 500 guests) to comply with restrictions and their event will this year be held in the CQARC LOUNGE. Obviously strict measures have needed to be put in place to allow the event to proceed in compliance with current regulations. These measures include pre-purchasing tickets on-line only (no walk up crowd on the day). The Club encourages patrons to adhere to these strict requirements which will ensure contact details required for our Covid register are supplied ahead of time thus limiting unnecessary delays in patrons gaining entry on race day. It will be necessary for all patrons to be temperature tested on arrival. We're looking forward to seeing crowds return to Callaghan Park for what has traditionally been a favourite race day amongst locals and, whilst this year's event will out of necessity be different, with the co-operation and understanding of patrons, the Club is confident that we can all look forward to yet another great St Peter's Caulfield Cup event in 2020.

Rob Carr - RJC Chairman

RJC Chairman
